The failure of another bucket shop in Fayette county ought to be a warn ing to local stock speculators. It is bad enough to play the market but it is infinitely more hazardous to p av at through the medium of a bucket shop If one must speculate in stocks he had better do it through a brol er of standing in the world of finance

# TO THE

Recause this is a woman's store an because Christmas is coming, we want to talk to you. Every woman in this vicinity would like to have her Christmas present come from this store-there is an added value to it when it does, for the women have a habit of saying, "when I want a good dress I go to Dunn's. More than probable you have heard this remark, and if you have stopped to think you have con cluded they have a good reason fo: making this remark. Now for this very reason we want you to come in and let us help you with your choosing. Let's do even better than we did hast year, need not cost any more money, maybe lessout if you let us help you now, in stead of waiting until the last moment, you will get the kind of a girt that you want to give. You know how a man usually does wait until the last moment, then take anything that is thrust at him. Don't you do that way, come in now, let us tell you how many yards you will need for the dress or waist. Let us help you decide on the color and the material and the proper trimpings. Then you can be satisfied that you have chosen a gift that will be appreciated far more than its mere money value. Besides this list we have many other things here to show you that we appreciated for gift. Come in and just see how welcome a man is in this dry goods store. making this remark. Now for this

Then hundreds of pleees that we will sell you any amount you may want. But the iargest showing is from \$500 to \$20.00.

### Silk. 0 0 0 0

Individual patterns here, too, as well naryonal pacterns ner, too, as wen as goods by the yard. Hardly a woman that you could think of that would not like enough slik for an evening waist. If you want to you can extend your present to enough slik for a full suit, but your present here may cost you from \$3 to \$30.

#### Gloves. D D D

One thing that you can be sure of, one thing that this store has a reputation for selling, one thing that a worr an always needs no matter how many pairs she may already have. #### Table Linen.

More for you men's benefit than any-thing else, we have this depart-neent up by the front door, handy for you. Just as most women are particular about where their good dress comes from, so perhaps even more so are they particular about their timen. Few stores sell linea as we do either as to quantity sold or you as much attention to qualias we do either as to quantity solit or pay as much attention to quality, and beauty of patterns. Can sell you this in sets or by the yard, with napkins to match. If you are particularly anxious about quality, you will get the best for your money when you buy it by the yard. Prices start at \$1.00 the yard and from that up to \$2.00. Napkins to match at \$2.50 and up to \$3.00.

We have not mentioned the handkerchiefa, the furs, or any of the readyto-wear garments that we have
here nor anything from the carpet
room, if you wish to help towards
furnishing the house. We want to
help you make this the best and
happiest Christmas that ever-came
to this vicinity and you can do
your share towards this by giving
gifts that will be appreciated and
gifts that will be appreciated and
for cutting out the words beautiful and pretty when it comes to
describing your gifts just because
they are useful. In fact, these
qualities go a long ways towards
making them useful. We have not mentioned the handker making them useful.

This is rather a novel proposition, but it indicates to what lengths we are willing to go to make things easy for you. There is no reason that we can see why you should not buy Holiday Gifts on the same reasonable and convenient terms that we extend on your regular purchases. ## STIRRING MERCHANDISE NEWS FROM THE D D D

# WRIGHT-METZLER COMPANY.

## The Millinery and Women's Suit Departments Present Their Best Economy Offerings Just Now.

Post Holiday lassitude to the winds. Here is news that will prove exhilerating to every woman that reads it. There are two exceedingly good reasons for this remarkable sale. The first and most important one is that our Holiday Goods are coming in and are demanding room. They must be given space and at once. Then we admit that we are slightly over-bought in some of these lines and our method of store keeping compels us to sell in season instead of out of season as most houses do, so we have put prices down to the sensational point in order to insure a rapid and positive clearing.

Of course you'll recognize this as an extraordinary sale and that's what it is. Then, too, our reputation for exquisite styles lends an added importance.

### Every Women's Suit in the Store is Subject to the Following Reductions.

This means that you have to choose from the biggest collection of the season's smartest styles at one-half, or near it, of their value. Every woman in this vicinity knows well enough how jealous we are of our reputation for nothing but correct styles, and knowing this must realize what an offering of this sort means to all who are in need of Winter apparel.

We have divided our immense stock into three groups. We have priced them at \$10.00

\$20.00

You cannot pay more than \$20,00 for any Suit in the house.

You cannot get less than a \$10.00 value at

### GROUP ONE COMPRISES Suits from \$10 to \$15 at \$4.95.

These Suits will be placed on a rack for your easy selection. There are about 50 of these and they include every desirable fabric, and this price positively represents our final reduction. There is not a Suit in this group worth less than \$10 and you know from past experience that we never exaggerate our values.

### GROUP TWO COMPRISES Suits from \$12.00 to \$18.75 at \$10.00.

This group includes all of this season's snappiest models in every desirable material-both semi-fitting and tourist models, velvet collar and cuff effect and perfect in fit and proportions, styles and materials at \$10.00.

#### GROUP THREE COMPRISES

### All of our highest priced Suits from \$25 to \$35 at \$20.

Embracing 68 of the handsomest and most stylish models of the season made up in the handsomest materials for correct Fall and Winter wear. There is not a Suit reserved in this great sale, which insures you any Suit to your liking at these striking reductions.

## Our Magnificent Collection of Millinery.

Our Millinery is recognized as possessing all the style attributes that distinguish it from the ordinary creations and gives it that air of exclusiveness that appeals to refined tastes, and under normal conditions the prices which will prevail during this sale would be ridiculous, but we must move this stock at once as we must have the space it occupies for the display of our Holiday Goods, hence the extraordinary low prices we quote and which will remain in force until the stock is sufficiently reduced to meet our space requirement.
